STRATEGIC REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2021

The directors present their strategic report for the year ended 31st December 2021.

REVIEW OF BUSINESS

The results for the year are set out on page 12 and show the profit on ordinary activities after taxation for the year as being £664,963 (2020: loss £98,079). At the year end, the net assets of the company amounted to £1,626,138 (2020: £961,175).

The turnover of the company for the year is £4,469,609 (2020: £2,168,360). The company's investment strategy, which continued to focus on its expertise in mid-small cap and value investments, overperformed its peers. The performance over the relevant benchmarks had a positive impact on the turnover.

The assets under management as at 31 December 2021 are £263 million (2020: £219 million). The company continued targeting new investors and, ultimately, increased the assets under management.

The rationalisation of the business lines has continued and the focus in the coming years will be on increasing the revenues through the growth of the assets.

PRINCIPAL RISKS AND UNCERTAINTIES

The company has established a risk management process in order to ensure that it has effective systems and controls in place to identify, monitor and manage risks arising in the business. The Senior Management team takes overall responsibility for this process and the fundamental risk appetite of the company. The team has responsibility for the implementation and enforcement of the company's risk principles.

Senior Management meets on a regular basis and discusses current projections for profitability, cash flow, and business planning and risk management. Senior Management engage in the company's risks through a framework of policy and procedures having regard to the relevant laws, standards, principles and rules (including Financial Conduct Authority principles and rules) with the aim to operate a defined and transparent risk management framework. These policies and procedures are updated as required.

The Senior Management team has identified that business, operational, market and credit are the main areas of risk to which the company is exposed. Annually the Senior Management team formally review their risks, controls and other risk mitigation arrangements and assess their effectiveness.

STRATEGIC REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2021

PRINCIPAL RISKS AND UNCERTAINTIES (CONTINUED)

Business risk

The company's revenue is reliant on the performance of the existing funds under management and its ability to launch new funds/obtain new mandates. As such, the risk posed to the company relates to under performance resulting in a decline in revenue and adverse market conditions hindering the launch of new funds and ultimately the risk of redemption from the funds managed by the company. This risk is mitigated by the significant levels of capital held by the company which will continue to cover all the expenses of the business.

Operational risk

The company places strong reliance on the operational procedures and controls that it has in place in order to mitigate risk and seeks to ensure that all personnel are aware of their responsibilities in this respect.

The company has identified a number of key operational risks to manage. These relate to systems failure, failure of a third party provider, potential for serious regulatory breaches, and market abuse. Appropriate policies are in place to mitigate against these risks, which includes taking out adequate professional indemnity insurance, compliance training for employees and business continuity planning.

Credit risk

The company is exposed to credit risk in respect of its debtors, investment management and performance fees billed and cash held on deposit.

Management fees are drawn monthly or quarterly from the funds managed and performance fees are drawn quarterly or annually where applicable. The company considers that there is little risk of default by its clients. All bank accounts are held with large international credit institutions.

Market risk

The company takes no market risk other than foreign exchange risk in respect of its accounts receivable and cash balances held in currencies other than Sterling.

Since the company takes no trading book positions on its balance sheet, the primary market risk relates to fluctuations in the value of its revenues due to movements in currency rates. The firm maintains multi-currency bank accounts and uses currency contracts to hedge this risk.

STRATEGIC REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2021

SECTION 172(1) STATEMENT

The directors considered and established the necessary process to ensure that the company meets the requirements of The Companies (Miscellaneous Reporting) Regulations 2018 ("the Regulations") which came into effect on 1 January 2019.

These duties are detailed in section 172 of the UK Companies Act 2006 which is summarised as follows:

A director of a company must act in the way he considers, in good faith, would be most likely to promote the success of the company for the benefit of its members as a whole, and in doing so have regard (amongst other matters) to:

- (a) the likely consequences of any decision in the long term,
- (b) the interests of the company's employees,
- (c) the need to foster the company's business relationships with suppliers, customers and others,
- (d) the impact of the company's operations on the community and the environment,
- (e) the desirability of the company maintaining a reputation for high standards of business conduct, and
- (f) the need to act fairly as between members of the company.

As part of their induction, directors are briefed on their duties. In addition, they can access professional advice either from the company secretary or from an independent adviser, if the directors judge it necessary.

The following summarise how the directors fulfill their duties:

The likely consequences of any decision in the long term

The company's long term objective is to offer a broader range of investment strategies and products, each one generating top quartile risk-adjusted returns.

Employees

The directors are committed to providing an environment that encourages involvement of all employees. Regular briefings through meetings keeps all the employees up to date with employment practices and health and safety, as well as the business aims of the company.

The directors and other key employees (i.e. Investment professionals) of the company participate in a discretionary profit share scheme as an incentive for long term commitment to the organisation.

The company's business relationships with suppliers, customers and others

The company has a diversified clientèle with whom contractual agreements are in place. The directors maintain close client relationships by providing excellent service.

The company's suppliers are fundamental to the business success and have multi-year contracts with the key suppliers.

The company operates in regulated markets and looks to maintain positive and open relationships with the relevant regulators.

The company reputation is effectively protected through its robust and well structured operational and control infrastructure and the experience of its staff.

Risk management

The directors provide services to clients, in a highly regulated environment. It is therefore vital that the directors effectively identify, evaluate, manage and mitigate the risk factors the company faces. For further details see principal risk and uncertainties and how the company manage for risk environment.

Shareholders

The directors are committed to openly engaging with the shareholders. It is important that the shareholders understand the company's strategy, objectives and performances and have their feedback and consider any issues raised.

Maintaining a reputation for high standards of business conduct

The company's ethical code of conduct is a formal statement of business standards, practices and procedures

STRATEGIC REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2021

which is issued to all directors and employees and form's an integral part of their contract of employment with the company.

Environment and Community

The directors recognises the importance of its role in managing social, economic environmental issues in the course of running its business. The directors seek to co-ordinate and manage practices to maximise positive social and economic contribution and minimise the environmental impacts of its business, establishing positive impacts on the environment, our clients and employees.

KEY PERFORMANCE INDICATORS

The Company manages the business by reference to key performance indicators, the principal indicators are as follows:

Operating margins: 62.90% (2020: 67.09%) (gross profit/sales)

Liquidity ratio: 1.81 (2020: 2.41) (current assets/current liabilities)

The directors consider the company to be well financed at the year end.

The key non-financial performance indicators of the company are client service and satisfaction, and stakeholder relationships. The directors review the performance with constant feedback from clients and stakeholders.

The directors will continue to monitor the company's performance and have no plans for changes to the strategic objectives of the company in the foreseeable future.

ON BEHALF OF THE BOARD:

F C De Tomasi - Director

26th April 2022

REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST DECEMBER 2021

The directors present their report with the financial statements of the company for the year ended 31st December 2021.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of providing both individual and collective management services for private and institutional investors, financial and capital management consultancy, and managed investment solutions.

The company is authorised and regulated by The Financial Conduct Authority.

DIVIDENDS

No dividends will be distributed for the year ended 31st December 2021.

DIRECTORS

The directors shown below have held office during the whole of the period from 1st January 2021 to the date of this report.

F C De Tomasi
C De Ranieri

Other changes in directors holding office are as follows:

M Massimilla - resigned 20th December 2021

FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

The directors have identified the principal risks and uncertainties facing the company and are disclosed in the Strategic Report.

PILLAR 3 DISCLOSURES

Disclosures will be issued on an annual basis, at a minimum, and will be made available on the company's website.

DIRECTORS INDEMNITY INSURANCE

The company has directors' indemnity insurance policy for the current and the previous year.

EVENTS AFTER THE YEAR END

The outlook for the year 2022 is cautiously positive. The company is in a good position in terms of its financial strength and can benefit from its proven investment strategy.

GOING CONCERN

After reviewing the company's forecasts and projections, the directors have a reasonable expectation that the company has adequate cash resources to cover the company's requirements for working capital expenditure for at least the next twelve months from the date of approval of these accounts. The company therefore continues to adopt the going concern basis in preparing its financial statements.

However due to the uncertainties surrounding a legal claim made against the company by a former client at the time of approval of these accounts, the directors believe it is difficult to establish the impact this may have on the business (see Note 17 for further details).

REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST DECEMBER 2021

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Stein Richards, will be proposed for re-appointment at the forthcoming Annual General Meeting.

ON BEHALF OF THE BOARD:

F C De Tomasi - Director

26th April 2022

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ALBEMARLE ASSET MANAGEMENT LIMITED

Opinion

We have audited the financial statements of Albemarle Asset Management Limited (the 'company') for the year ended 31st December 2021 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31st December 2021 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty relating to going concern

We draw attention to note 2 in the financial statements, which indicates that there is a uncertainty surrounding a legal claim made against the company by former clients.

As stated in note 2, these events or conditions, along with the other matters as set forth in note 17, indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ALBEMARLE ASSET MANAGEMENT LIMITED

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page seven, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ALBEMARLE ASSET MANAGEMENT LIMITED**

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Discussions were held with and enquiries made with the management with a view to identifying those laws and regulations that could be expected to have a material impact on the financial statements. During the engagement team briefing, the outcomes of these discussions and enquiries were shared with that team, as well as consideration as to where and how fraud may occur in the entity.

The following laws and regulations were identified as being a significance to the entity.

- Those laws and regulations considered to have a direct effect on the financial statements include UK financial reporting standards, company law, tax and pensions legislation.

- Those laws and regulations for which non compliance may be fundamental to the operating aspects of the company and therefore may have a material effect on the financial statements include compliance with Financial Conduct Authority (FCA) relating to designated investment business.

These matters were discussed amongst the engagement team at the planning stage and the team remained alert to non-compliance throughout the audit.

Audit procedures undertaken in response to the potential risks relating to irregularities (which include fraud and non-compliance with laws and regulations) comprised of: inquiries of management and those charged with governance as to whether the entity complies with such laws and regulations; enquiries with the same concerning any actual or potential litigation or claims; inspection of relevant legal correspondence; review of board minutes; testing the appropriateness of entries in the nominal ledger, including journal entries; reviewing transactions around the end of the reporting period; enquiries with the compliance officer to ensure the entity complies with the FCA registration and the performance of analytical procedures to identify unexpected movements in account balances which may be indicative of fraud.

No instances of material non-compliance were identified. However, the likelihood of detecting irregularities, including fraud, is limited by the inherent difficulty in detecting irregularities, the effectiveness of the entity's controls, and the nature, timing and extent of the audit procedures performed. Irregularities that result from fraud might be inherently more difficult to detect than irregularities that result from error. As explained above, there is an unavoidable risk that material misstatements may not be detected, even though the audit has been planned and performed in accordance with ISAs (UK).

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ALBEMARLE ASSET MANAGEMENT LIMITED

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST DECEMBER 2021

1. STATUTORY INFORMATION

Albemarle Asset Management Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going concern

After reviewing the company's forecasts and projections, the directors have a reasonable expectation that the company has adequate cash resources to cover the company's requirements for working capital expenditure for at least the next twelve months from the date of approval of these accounts. The company therefore continues to adopt the going concern basis in preparing its financial statements.

However due to the uncertainties surrounding a legal claim made against the company by a former client at the time of approval of these accounts, the directors believe it is difficult to establish the impact this may have on the business (see Note 17 for further details).

Turnover

Fee income includes management fees, advisory and consultancy fees, performance fees and execution fees.

Management fees, execution fees and advisory fees are recognised in the accounting period in which the associated investment management services are provided.

Performance fees are recognised when the prescribed performance benchmarks have been achieved and it is probable that the fee will crystallise as a result.

Consultancy fees are recognised on a straight-line basis over the contract term.

Fees receivable are accounted for on an accruals basis.

Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Repairs and maintenance are charged to profit and loss during the year in which they are incurred.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using straight-line method and reducing balance method.

The estimated useful lives range as follows:

Short leasehold property	over 5 years
Fixtures & fittings and equipment	20% straight line
Computer equipment	25% straight line

The assets' residual values, useful lives and depreciation method are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31ST DECEMBER 2021

2. ACCOUNTING POLICIES - continued

Financial instruments

All financial assets and liabilities are initially measured at transaction price, except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value, unless the arrangement constitutes a financing transaction.

If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Taxation

Current taxes are based on the results shown in the financial statements and are calculated according to the local tax rules, using tax rates enacted or substantially enacted by the statement of financial position date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date. However deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred taxation is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the statement of financial position dates.

Foreign currencies

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Pension costs

The company operates a defined contributions plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations.

The contributions are recognised as an expense in the profit and loss account when they fall due. Amounts not paid are shown in other creditors as a liability in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

Operating leases

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Fixed asset investments

Fixed asset investments are valued at fair value. Changes in the fair value are recognised in profit and loss account.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31ST DECEMBER 2021

2. ACCOUNTING POLICIES - continued

Cash and cash equivalent

For the purpose of the cash flow statement, cash and cash equivalents comprises cash in hand and deposits held on call with the banks, all of which are available for use by the company unless otherwise stated.

Fair value measurement

The best evidence of fair value is a price for an identical asset in an active market. When prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique

3. TURNOVER

The turnover and profit (2020 - loss) before taxation are attributable to the one principal activity of the company.

An analysis of turnover by geographical market is given below:

	31.12.21	31.12.20
	£	£
United Kingdom	12,000	37,000
Europe	4,457,609	2,131,360
	<u>4,469,609</u>	<u>2,168,360</u>

4. EMPLOYEES AND DIRECTORS

	31.12.21	31.12.20
	£	£
Wages and salaries	1,058,526	841,593
Social security costs	104,663	106,228
Other pension costs	40,762	42,650
	<u>1,203,951</u>	<u>990,471</u>

The average number of employees during the year was as follows:

	31.12.21	31.12.20
Fund management	7	7
Administration	1	1
	<u>8</u>	<u>8</u>

The company operates a stakeholder defined contribution pension scheme for the benefit of the employees and a director. The assets of the scheme are administered by an independent pension provider. Pension payments recognised as an expense during the year amount to £40,762 (2020: £42,650).

The above disclosure includes the directors of the company.

5. DIRECTORS' EMOLUMENTS AND KEY MANAGEMENT COMPENSATION

	31.12.21	31.12.20
	£	£
Directors' remuneration	<u>596,073</u>	<u>452,944</u>

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31ST DECEMBER 2021

5. DIRECTORS' EMOLUMENTS AND KEY MANAGEMENT COMPENSATION - continued

6. OPERATING PROFIT/(LOSS)

The operating profit (2020 - operating loss) is stated after charging/(crediting):

	31.12.21	31.12.20
	£	£
Depreciation - owned assets	7,435	2,775
Auditors' remuneration	12,000	11,900
Foreign exchange differences	78,356	(10,312)
Fees to Auditors' for accounting services	<u>4,685</u>	<u>4,000</u>

7. INTEREST PAYABLE AND SIMILAR EXPENSES

	31.12.21	31.12.20
	£	£
Bank loan interest	<u>-</u>	<u>9</u>

8. TAXATION

Analysis of the tax charge/(credit)

The tax charge/(credit) on the profit for the year was as follows:

	31.12.21	31.12.20
	£	£
Current tax:		
UK corporation tax	<u>159,372</u>	<u>(21,199)</u>
Tax on profit/(loss)	<u>159,372</u>	<u>(21,199)</u>

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31ST DECEMBER 2021

8. TAXATION - continued

Reconciliation of total tax charge/(credit) included in profit and loss

The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

	31.12.21	31.12.20
	£	£
Profit/(loss) before tax	824,335	(98,079)
	<u> </u>	<u> </u>
Profit/(loss) multiplied by the standard rate of corporation tax in the UK of 19% (2020 - 19%)	156,624	(18,635)
Effects of:		
Expenses not deductible for tax purposes	1,784	550
Capital allowances in excess of depreciation	-	(20)
Depreciation in excess of capital allowances	964	-
Adjustments to tax charge in respect of previous periods	-	(3,094)
	<u> </u>	<u> </u>
Total tax charge/(credit)	159,372	(21,199)
	<u> </u>	<u> </u>

The main rate of corporation tax currently is 19% and it will remain at that rate until 1 April 2023 when the rate will increase to 25% for companies with profits over £250,000. The 19% rate will become a small profits rate payable by companies with profits of £50,000 or less. Companies with profits between £50,000 and £250,000 will pay tax at the main rate reduced by a marginal relief, providing a gradual increase in the effective corporation tax rate.

	<u>269,325</u>	<u>324,187</u>

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31ST DECEMBER 2021

14. FINANCIAL INSTRUMENTS

The financial assets measured at amortised cost as at 31 December 2021 are in the sum of £2,645,172 (2020: £1,067,723).

The financial assets measured at fair value as at 31 December 2021 are in the sum of £124,250 (2020: £124,250).

The financial liabilities measured at amortised cost as at 31 December 2021 are in the sum of 1,656,760 (2020: £555,537).

The financial assets measured at fair value are paintings and antique books.

15. CALLED UP SHARE CAPITAL

Allotted and issued:

Number:	Class:	Nominal value:	31.12.21	31.12.20
1,000,000	Ordinary	£1	<u>1,000,000</u>	<u>1,000,000</u>

16. ULTIMATE PARENT COMPANY

At the balance sheet date, Alma Grand S.A., a company incorporated in Luxembourg, was the immediate and ultimate parent company of Albemarle Asset Management Limited for the current and the previous year

17. CONTINGENT LIABILITIES

In February 2022, a former client filed a legal claim against the company in the High Court of Justice, Business and Property Courts of England and Wales, seeking €3.2 million plus interest and damages.

This claim is made against investment advisory services provided by a former director of the company; these services were discontinued by the company in 2017 as they were not in line with the core business activities.

The company is also a defendant in proceedings in Italy from a number of clients, arising out of the same set of facts. One proceeding was brought before the Court of Vicenza, and the judge suspended the procedure in January 2022; the other, which is before the Court of Vercelli, began in April 2022.

The company is defending the claims vigorously both in England and in Italy. The directors' assessment, supported by independent legal advice, is that it is difficult to predict the outcome at this stage because the proceedings have only recently begun and could last several years. If the defence against the claims are unsuccessful, the company may not be able to compensate the clients.

The directors believe that it is too early to assess any material losses that may arise in relation to the legal claim at the time these financial statements are approved, so no provision is made in these accounts

18. RELATED PARTY DISCLOSURES

During the year management, performance and execution fees of £4,333,117 (2020: £1,758,174) were receivable from a company in which a key management personnel who is also a director. The balance owed to the company at the year end is £2,169,488 (2020: £544,384).

During the year, a total of key management personnel compensation of £596,073 (2020 - £452,944) was paid.

19. ULTIMATE CONTROLLING PARTY

The ultimate controlling party is Mr. Umberto Borghesi by virtue of his shareholding in Alma Grand S.A.
